## Sodexo, world leader in Quality of Daily Life Solutions

Sodexo leads the way in creating added value by integrating the management and delivery of a widening range of services. Through our technical expertise and food services heritage we strive to improve the quality of your daily life. With our global scope Sodexo designs and implements customised solutions to create sustainable value for our clients worldwide. Our teams, focused on the needs of customers combine a service spirit with high standards of quality, safety and health and environmental protection to improve the quality of life of customers.

Sodexo has an unrivalled reputation for building lasting partnerships with clients through open, transparent relationships based on trust and exceptional performance.

## Sodexo in the North Sea

Sodexo has been delivering On-site Service Solutions to oil and gas industry clients in the North Sea for more than 40 years. North Sea Headquarters in Aberdeen currently serve 130 client locations, with offices in Stavanger (Norway), Esbjerg (Denmark) and Hoorn (The Netherlands).

Award winning chefs prove our focus on great food. And of course safety is of constant imperative - supporting Step Change Safety to make the UK the safest place in the oil and gas industry.
